Dear Mr. Tornatore,

The Tinley Park Fire Department wants to extend a heartfelt "Thank You" for your generous donation to help support our sixth annual "Run For Your Life Safety" 5K Run/Walk that benefited the Illinois Fire Safety Alliance and their very important "Camp I Am Me", a retreat for children who are burn victims.

Our 5K Benefit was held on Sunday, May 6, 2018. It was a beautiful day for many reasons. Here are a few highlights:

- Approximately \$16,000 will be donated to the Illinois Fire Safety Alliance for "Camp I Am Me" and their fire prevention programs.
- 378 people registered to participate in the Run.
- 322 people ran or walked that Sunday morning. Results are posted on our website at www.tinleypark.org/5K
- There were 42 sponsors who supported the "Run For Your Life Safety" 5K. The list of sponsors is on our website.
- Approximately 55 volunteers helped with this event.
- 22 children participated in the 1K Kids Dash.
- 788 pounds of food was collected for Together We Cope in Tinley Park.

Pictures of the event can be viewed soon on our Facebook Page, fb.me/RunforYourLifeSafety5K.

Enclosed you will find a commemorative patch. As a reminder of a great team effort, everyone who participated in this event received this patch.

Thank you again for your time, your donation and your commitment to give back to our community. We look forward to partnering with you again in 2019 at our seventh annual "Run For Your Life Safety" 5K Run/Walk on Sunday, May 5, 2019.

Yours in Fire Safety,
